

ACCESSIBILITY ROADMAP

Overview

This document outlines the planned timeline for updates to “Partially Supported” criteria within our accessibility conformance reporting, including WCAG and VPAT documentation.

Purpose

The purpose of this roadmap is to guide implementation and ensure the consistent application of updates across accessibility conformance reporting, supporting accurate and transparent communication of conformance.

Timeline

These updates are currently in progress and will be implemented in phases:

- Initial review of required updates: Completed
- Global updates: May 2026
- Implementation of global updates: On or before May 29, 2026
- Individual course updates: June–July 2026
- Implementation of course updates:
 - Higher Ed market: On or before July 31, 2026
 - Secondary market: On or before August 31, 2026
 - Court/Agency market: On or before December 31, 2026

Implementation Approach

Updates will be introduced in a controlled and systematic manner to ensure continuity and accuracy. Existing documentation will be reviewed and revised as needed to reflect the updated criteria.

Last Revised: April 24, 2026
